

For Immediate Release

Anyone new pickup truck owner knows just how painful it can be to find that first scratch in their truck's cargo bed. Getting your pickup truck bed protected before that happens, and enjoying years of worry-free protection no matter what you haul, can be done in a matter of a few hours by installing a LINE-X Spray-On Bedliner. To date, more than two million trucks have benefited from the durable LINE-X application, formulated to withstand even the most extreme conditions. LINE-X was the first in the industry to back its bedliner coatings with a Nationwide Lifetime Warranty, valid at any one of more than 500 U.S. locations. For more information visit www.LINEX.com or call (800) 831-3232.
